

kidsarekey

Dear Highcrest Parents,

The annual Highcrest Kids Are Key fundraising campaign is underway. The PTO implements a direct solicitation fundraising campaign in lieu of multiple fundraising events. We have experienced great success by simply asking each Highcrest family to make a monetary contribution to support the many valued enrichment activities from which your children benefit.

The Highcrest PTO contributes a minimum of \$60 per child for enrichment activities alone. Your gift will help fund the continuation of amazing programs in the areas of math, science, and social studies. Examples of these programs are motivational speakers, interactive math and social studies programs, science shows, poetry assemblies, workshops, field trips, school clubs, and our beautiful outdoor classroom and garden. If you would like a full description and schedule of our enrichment programs please contact the Enrichment coordinators listed at the HMS PTO link on the District 39 website at www.wilmette39.org. Our children depend on our support. Without your contributions many of these activities and programs would not be possible.

The key to a successful fundraiser is your support of our school, our children and these rewarding programs. We look forward to receiving your donation as soon as possible. Programs begin in early fall and continue throughout the year. We thank you in advance for your tax-deductible gift.

Sincerely,

Highcrest PTO
